BY THE ARTS AND ARCHITECTURE

A modern apartment building with a grid facade and a decorative green bar. The building is multi-storied with a reddish-brown facade and a grid of windows. A decorative green bar runs diagonally across the top left. In the foreground, there is a stylized illustration of a plant with large leaves and a white flower. The background is a light gray grid pattern.

Well ventilated spaces for peaceful dying

Spacious and well-ventilated spaces are essential for a peaceful dying. The room should be bright, airy and have a view of nature.

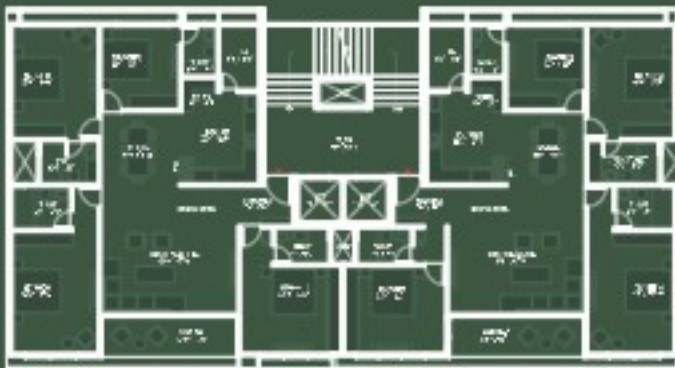

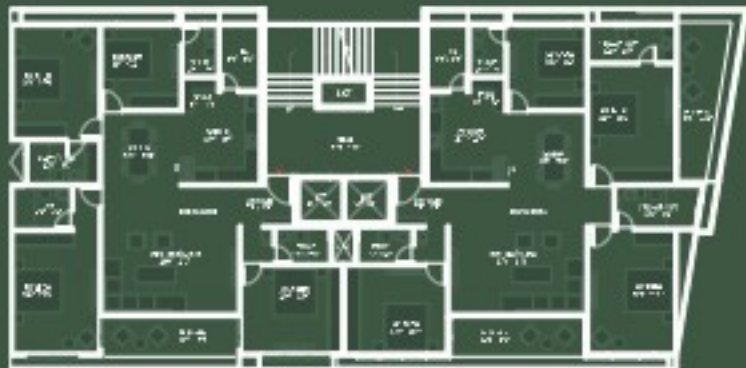

Well-planned living with garden view balcony

Integrating a garden view balcony into the living area provides a unique living experience with a relaxing atmosphere.

Thoughtful exterior with
a smart interior

Smart at heart,
beautifully thought out
